You can learn more by going to www.goodsearch.org.

What is the Goodsearch search engine?

- Their search engine is a patent-protected, Yahoo!-powered search engine that you use exactly as you would any other search engine. The difference is, and here's the exciting part, each time you do a search, about a penny is raised for S.P.A.R.K.S. Foundation. The more you search, the more you earn for our cause!

How do I start raising money for my non-profit or school with Goodsearch?

- Visit www.goodsearch.com and select **SPARKS Foundation (SPARKS in capital letters without the periods!)** from the list of participating organizations.
- If you like, create a user profile that will allow you to keep track of your individual amount raised. Use the search box on the Goodsearch homepage to search the Internet just like you normally would, with the added bonus that you are earning a donation for virtually every search.

What is Goodshop?

- Goodshop is an online shopping mall that donates a percent of your purchase price to your cause when you shop at one of 7,000+ partner stores including top retailers like Amazon (1.5% donation), Expedia (up to 5% donation), and Staples (2.5% donation). You can also find 25,000+ active discounts and money-saving coupons so you can save money and give back at the same time!
- Goodshop members have raised millions of dollars for causes through the simple act of shopping online with Goodshop. Put simply: you shop, we give!
- Remember, Goodshop works with more than just stores. Are you planning a trip and thinking of searching for deals on Expedia? Expedia is one of the vendors that will donate a percentage of your purchase back to The S.P.A.R.K.S. Foundation too when you book airline tickets, hotels, rental cars and excursions.
